

## I am in need of community service hours for school, what can I do?

### Give Me Five Program

- **Social Media** – Instagram and/or Facebook – Take pictures of our adoptable dogs or cats, post to your social media page and tag us! Post must include pet's name, age, and breed.  
**3 pets posted = 1 hour of community service.**
- **On-site volunteering** – If you are **under 16** you must be accompanied by an adult. All new on-site volunteers must attend an orientation. We ask that you and your parent or guardian plan accordingly.
  -
- **Supply Drives** - Students may obtain a maximum of five volunteer hours by hosting a fundraiser or supply drive for SHS. In the past students have held supply drives to obtain items from our wish-list, and have also organized lemonade stands or other fundraisers to raise money for items on our wish-list.
