

**I adopted a pet from SHS. Can I return the pet if he/she is not a good fit for my home?**

Yes, you may. However, we ask that you discuss these issues with adoption staff prior to returning the pet. The issues you are experiencing may be fixable with the right resources. Rehoming the pet on your own is also an option, which we encourage as long as you notify SHS of the ownership change, and so we can also provide documentation to the new family for microchip registration purposes.
